Products

System Integrations Solutions provider offering a complete solutions involving part processes to complete sub-assemblies and dedicated assembly line set-up facility.

- Engines and transmissions
- Ferrous Casting Components
- Sheet Metal
- Assembly facilities
- Engineering Services

Customers

- Rotax
- BRP
- LG
- Hero Honda
- Tecumseh

Certifications

Recommended for:

- ISO 9001
- TS 16949

Facilities

- Ferrous Casting Plant (*Disa, Inductotherm*)
- Robodrill (*Fanuc*)
- Machining centers (*Makino, Deckel, BFW*)
- Fully equipped metal and plastic Paint shops
- Welding stations
- Tool room

Quality Control and Laboratory

- Benchmarked testing facilities as per TS:16949

Research and Development:

- **CAD Packages:**

Ferrous Casting	:	Magma-Soft
Engineering design and detailing	:	Pro-E, Wild-Fire, Vericut, AutoCAD,
Styling design softwares	:	Alias Auto Studio, Studio tools
Free-form modeling (class-A surfaces)	:	ICEM-Surf, Imageware

- Engine testing facilities including Engine dynamometer, test-rig, world class test track
- Experience of the complete 2-W vehicle assembly as an OEM
